Professional Development Music Workshops

Leonie and her team have designed Professional Development Music Workshops based on their experience, knowledge and passion for music and children. Based on Leonie's *You Gotta Get Up* series, the session will leave you motivated and inspired to continue educating through music.

The workshops are designed for Music Specialists, Special Education Teachers, Early Childhood Teachers, Parents, Carers, Child Care Workers, Therapists (OT, SP, Physio)...as well as anyone else working, helping or living with young children up to eight years of age.

Workshop Notes and a Participation Certificate will be provided to each participant.

WACOT will recognise a Kids 'n' Music Professional Development Participation Certificate if the content of the session is relevant to your teaching field.

You Gotta Get Up Workshop NEW Book! NEW Workshop!

This additional workshop has been created due to the popularity of this particular location and to cater for the overflow of registrations we have received for the previous Woodvale music workshop.

Each workshop is two hours long and includes material from all of the books in the *You Gotta Get Up* series.

A NEW program had been devised for 2010 and will focus specifically on the newly released *You Gotta Get Up 4*.
